Middle School and High School students who live within walking distance of the school are allowed to walk home for lunch if they fill out a "Home for Lunch Permission Slip." Please bring these signed slips with you when you come to register for school.

I _____ give
(Parent/Guardian)

(Student)
Grade _____ permission to go home for lunch during the upcoming school year. I understand that friends will not be able to accompany my son/daughter while eating lunch off campus. He/She must also sign out in the High School or Middle School office each day that they leave and then sign back in upon return.
